## FOR THE RECORD\*

Argentina:

met for the first time with the governing military junta yesterday in discussions prompted by the trorist assassination of a retired admiral last May. His willingness to meet with the junta, and to do so again soon, reflects his sensitivity to the military's increased concern over terrorism.	eer- Ion- Id
	25X1
France - West Germany: Pompidou and Brandt will hold their semi-annual summit consultation Bonn on 21-22 June.	T11
China-Japan: The second round of talks on air agreement ended yesterday without any sign of progress. Another group of negotiators agreed, however, to improve telecommunications between	DI .
two countries with a new undersea cable.	25X1

Peronist president-elect Campora
